FTL TAGS

Given the state of our economy and US workforce, it should come as no surprise that our shipment of FTL tags have been on backorder since the beginning of February. They are expected to arrive by June 26th. We will update the Keeping Up when they arrive.

MONDAY'S FEEDER CATTLE
Sale Starts 12:30 PM

Compared to the last tested market two weeks ago, feeder steers under 700 lbs $5.00-10.00 higher, over 700 lbs steady to $2.00 higher. Feeder heifers steady to $3.00 higher. The cash feeder cattle are slowly advancing as they try to catch up with the optimistic cattle future prices. The five weight steer calves were particularly strong as they traded with prices not seen in many months.
