Compared to auction from two weeks ago, feeder steers under 750 lbs sold firm to \$3.00 higher, over 750 lbs steady to \$2.00 lower. Feeder heifers under 600 lbs steady to \$5.00 higher, over 600 lbs steady. A typical spring sale with lighter wt calves that will fit a grazing program, while buyers of feedlot bound yearlings are much more cautious as they try to pencil out a break even using the currently high feed cost
